Product Development Non-Disclosure Agreement

This Product Development Non-Disclosure Agreement (the "Agreement") is entered into by and between **Mr/Ms. ----------** ("Product Developer") and **Glimmora International, UAE.** ("Company") and is effective from **DD-MM-YYYY.** The parties agree to enter into a confidential relationship with respect to preventing the unauthorized disclosure of certain proprietary and confidential information (the "Confidential Information"), as defined below.

1. Product Development

Product Designer is in the business of developing goods and services for commercialization (collectively referred to as the "Product"). The company wishes to contract with Product Designer – for example, by contributing to the product's creation, evaluation, testing, marketing, manufacture or sales. In order for the parties to work together, the disclosure of Confidential Information (as defined below) may be necessary.

2. Definition of Confidential Information

For purposes of this Agreement, "Confidential Information" shall include all information or material related to the Product that has or could have commercial value or other utility in the business which Product Designer is engaged and which is not known by competitors. This includes but is not limited to information or data relating to all innovations developed or owned by Product Designer, as well as information in a pending patent, trademark or copyright application, confidential know-how connected with a patent or application, or innovations or strategies that may became the basis of a patent, trademark of copyright application. In the event that Confidential Information is in written form, the Product Designer shall label or stamp the materials with the word "Confidential" or some similar warning.

3. Obligations of Company

The Company shall hold and maintain the Confidential Information of the other party in strictest confidence for the sole and exclusive benefit of the Product Designer. The Company shall carefully restrict access to any such Confidential Information to persons bound by this Agreement, only on a need-to-know basis. The Company shall not, without prior written approval of the Product Designer, use for the Company's own benefit, publish, copy, or otherwise disclose to others, or permit the use by others for their benefit or to the detriment of the Product Designer, any of the Confidential Information. The Company shall return to Product Designer any and all records, notes, and other written, printed, or tangible materials in its possession pertaining to the Confidential Information immediately on the written request of Product Designer.

4. Exclusions from Confidential Information

Company's obligations under this Agreement shall not extend to information that is (a) publicly known at the time of disclosure under this Agreement or subsequently becomes

publicly known through no fault of the Company; (b) discovered or created by the Company prior to the time of disclosure by Product Designer; or (c) otherwise learned by the Company through legitimate means other than from the Product Designer or anyone connected with the Product Designer.

5. Term

This Agreement and Company's duty to hold Confidential Information in confidence shall remain in effect forever or until whichever of the following occurs first: (a) Product Designer sends Company written notice releasing it from this Agreement, or (b) Confidential Information disclosed under this Agreement ceases to be confidential, subjected to agreement and Approval of Company only.

6. No Rights Granted

This Agreement does not constitute a grant or an intention or commitment to grant any right, title or interest in the Product, the Product Designer's innovations, intellectual property, or the Confidential Information, to the Company.

7. General Provisions

(a) Relationships. Nothing contained in this Agreement shall be deemed to constitute either party a partner, joint ventures or employee of the other party for any purpose.

(b) Severability. If a court finds any provision of this Agreement invalid or unenforceable, the remainder of this Agreement shall be interpreted so as best to effect the intent of the parties.

(c) Integration. This Agreement expresses the complete understanding of the parties with respect to the subject matter and supersedes all prior proposals, agreements, representations and understandings. This Agreement may not be amended except in a writing signed by both parties.

(d) Waiver. The failure to exercise any right provided in this Agreement shall not be a waiver of prior or subsequent rights.

(e) Injunctive Relief. Any misappropriation of Confidential Information in violation of this Agreement may cause Product Designer irreparable harm, the amount of which may be difficult to ascertain, and therefore Company agrees that Product Designer shall have the right to apply to a court of competent jurisdiction for an order enjoining any such further misappropriation and for such other relief as Product Designer deems appropriate. This right of Product Designer is to be in addition to the remedies otherwise available to Product Designer.

(f) Attorney Fees and Expenses. In a dispute arising out of or related to this Agreement, the prevailing party shall have the right to collect from the other party its reasonable attorney fees and costs and necessary expenditures.

(g) Governing Law. This Agreement shall be governed in accordance with the laws of Indian contract act 1872, shall govern this Agreement and its validity.

(h) Jurisdiction. The parties' consent to the exclusive jurisdiction and venue of the federal and state courts located in India in any action arising out of or relating to this Agreement. The parties waive any other venue to which either party might be entitled by domicile or otherwise.

(i) Successors & Assigns. This Agreement shall bind each party's heirs, successors and assigns. Company may not assign or transfer its rights or obligations under this Agreement without the prior written consent of Product Designer. However, no consent is required for an assignment or transfer that occurs: (a) to an entity in which Company owns more than fifty percent of the assets; or (b) as part of a transfer of all or substantially all of the assets of Company to any party. Any assignment or transfer in violation of this section shall be void.
